Rand Sobczak

has successfully completed the online, non-credit Specialization

Health Informatics

In this Specialization, learners explored the social and technical context of health informatics problems, discovered how to successfully implement health informatics interventions, designed a health informatics solution for decision support, and answered a health informatics problem through data retrieval and analysis.

Harold Lehmann, M.D.,
Ph.D.

Ashwini Davison, M.D.

Hadi Kharrazi, M.D.,
Ph.D.

Paul Nagy, Ph.D.

Sam Meiselman

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
